A brief summar 	e examiner will provide a writte record of the substance of the	en summary of the substance interview, since the interview
/Arthur O Hall/ Primary Examiner, Art Unit 3718 (A	Applicant/Applicant's Representat	ive Signature – if appropriate)

Continuation of Substance of Interview including description of the general nature of what was discussed:

Examiner and applicants discussed that the claimed invention recites that a display is partitioned into plural areas dependent on the number of players in the game and each partition is subsequently re-sized based on an evaluating value that is indicative of how well each player is doing during game relative to other players..
